# Group Exercise Class Descriptions

All group exercise classes (with the exception of Spinning) are located on the second floor of MCAC. You must be able to climb the stairs and get to the floor level in class in order to attend classes.

## ALL CLASSES 50 MINUTES UNLESS OTHERWISE STATED

### Barre Above (Medium Intensity)

Barre Above® is a fusion of ballet, pilates, yoga, and strength training in each workout. May use light weights (2-5lbs), glider disks, and a barre or chair if at home. This is a progressive workout that gets more challenging as the month goes on and is new each month.

### Cardio Barre (Medium Intensity)

The trifecta low-impact workout incorporates lower, upper, and core exercises with a focus on flexibility, balance, and stability using small movements. Limited to 15 people. May use light weights (2-5lbs), glider disks, and a barre or chair if at home.

### Cardio Fit (High Intensity)

Variable-intensity interval training (VIIT) program. You will experience 3 different workouts in which you rotate between high-intensity interval training (HIIT) with medium-intensity (strength) and low-intensity (recovery) periods for a more efficient workout. Workout is different each week.

### Hiit & Strength (High Intensity)

This workout class delivers intervals of intense cardio and/or strength exercises paired with active recovery. Through a variety of simple, yet intense exercises, no matter what your workout goals are, each class will deliver what you are looking for. New workout each week.

### Kick & Core (High Intensity)

A high-energy mix of fun, cardio kick-boxing exercises, along with some core & stretching.

### Pilates Core (Medium Intensity)

A total body strength based workout that focuses on compound, core based exercises. Appropriate for all levels, with a focus on endurance training while engaging core strength. A progressive workout that gets more challenging as the month goes on and is new each month.

### Pilates/Yoga (45 minutes) (Low Intensity)

A blend of pilates mat-based pilates exercises and yoga-based exercises. Straps and blocks will be used to aid in stretching. Savasana to end each class. Class changes each month.

### Spinning = 45 min/Spin 60 = 60 Minutes (High Intensity)

A multi-level indoor cycling class. Work at your proper level with a suggested heart rate monitor. All levels are welcome. Come early to get set up and choose your bike.

### Strength & Conditioning+ (High Intensity)

Using weights and set to fun music. Typically, 4-6 blocks of progressive combinations including mobility, dynamic balance, strength, and metabolic conditioning. You will use various weights and some props, including bender balls, gliding discs, and mini bands.

### Strength Circuit (High Intensity)

Timed intervals at stations with a focus on strength in each circuit, but may also use some cardio. May use weights, glide discs, small balls, and a step. Class changes each week.

### Total Body Circuit (High Intensity)

Cardio & Strength circuit style class. Will include upper body, lower body, compound exercises, and cardio stations that you will visit during class. Class changes weekly.

### Vinyasa Flow (Low Intensity)

This class sequences a variety of yoga poses that will flow together with a focus on alignment, breath, and easy meditation. Students will learn a vinyasa-style practice creating strength and empowerment, with an emphasis on mindfulness through breath- and body awareness. The postures and flow will build upon each other, creating power and focus. All levels are welcome!

### Yoga (Low Intensity)

1 hour class. All levels are encouraged. Wednesday night: The beginning of class will be Vinyasa style finishing with Restorative yoga. Will offer stretching, salutations, breathing and balance.

### Yoga Flow (Medium Intensity)

A moderate-intensity yoga class that will include poses that flow together. Will include floor and standing poses, and shavanasa finale.

### Zumba (Medium Intensity)

A Latin-inspired cardio dance class. Have fun and get in shape at the same time. Easy to follow dance routines using great music & great moves, including Salsa, Samba, Merengue, Hip Hop, Cumbia & Calypso!

### Row & TRX (60 Min) (additional charge applies)

Indo-Rowers burn calories, sculpt muscle, and enjoy a fun interval workout in a uniquely motivating, team-oriented fitness environment. Each machine features the Indo-Row® Race/Pace Coach monitor that provides instant feedback on pace, distance, and calories, allowing individuals to gauge improvement in each class and over time. Indo-Rowers see progression quickly and consistently return to match or better their performance.
